Mr. Abraham Manely,
101 Montgomery St
Newark, N. J.

Dear Sir:

I guess you wonder what this
is and who it is. Well, I'm the fellow
Doris who was with the team for a spell
last season, and didn't come through.
Well my trouble for that was the lack
of training, and I would like to go South
with you this spring, if you would
grant it. I'm sure I could come through
if I got the proper treatment. I am hoping
you will consider this, hoping to hear from
you. Very Truly Yours William Davis
